IT PARK UNIVERSITY

Instructions

How is it going ? Do you have problems with practical tasks ? Any concerns with learning materials ?

not started yet

nope

good thank you

fine

or the results

all fine

hard

emotional damage

im waiting

of the practical sessions

IT PARK UNIVERSITY

Today's agenda

- Total Recall
- Servlet
- Quiz
- Questions

Total Recall

What do you remember from the previous workshop ?

attributes

arguments and parameters

me too

parameters

parameters, attributes

arguments

Scopes

application, page, session

request, session, application

context request

page req session app

IT PARK UNIVERSITY

Scopes

Request

Session

Context (JSP)

Page (JSP)

tomcat?

idk

network card

browser

binaries, tomcat, manager, browser?

tomcat, browser

ITPU IT PARK UNIVERSITY

Key players

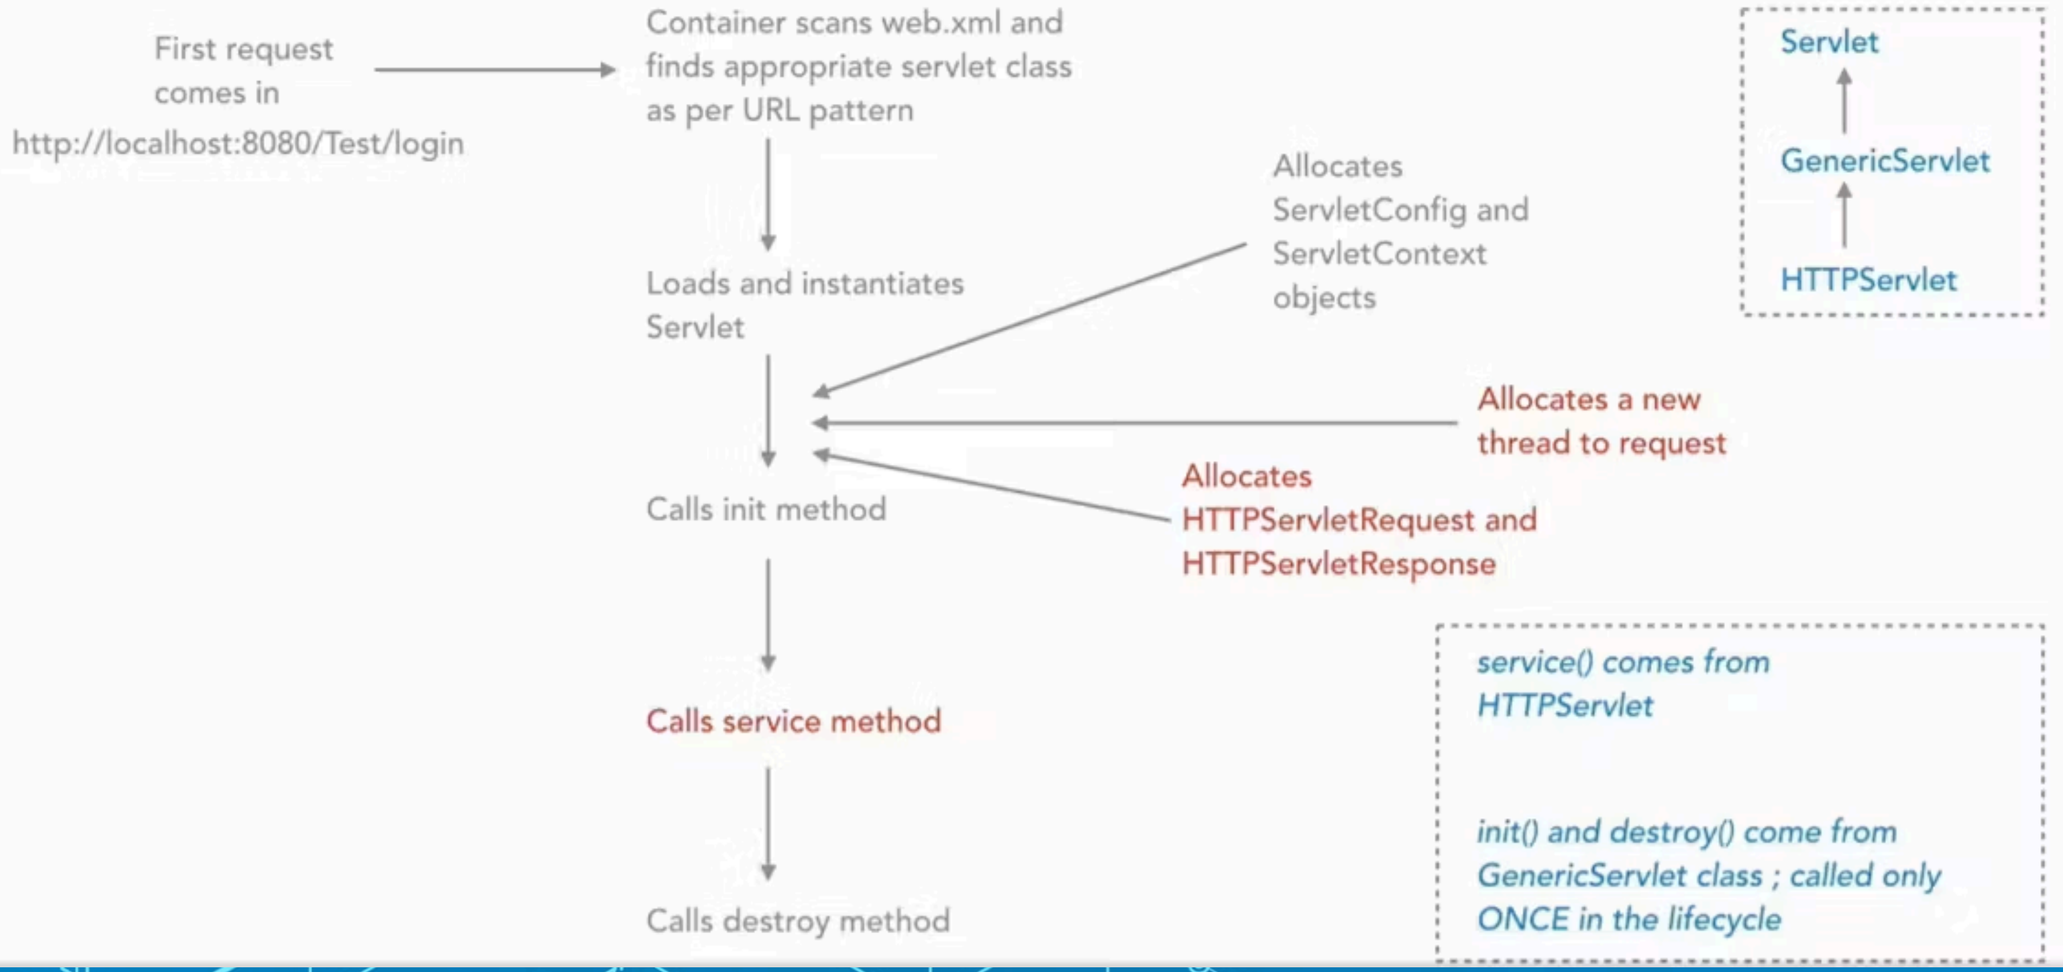

User Agent (Browser)

Server (Web Server)

Servlet Container (Tomcat)

Servlet (javax.servlet.http.HttpServlet)

Servlet Life Cycle for First Request to a Servlet

ITPU IT PARK UNIVERSITY

Explain <% %> and <%= %> and <%! %>?

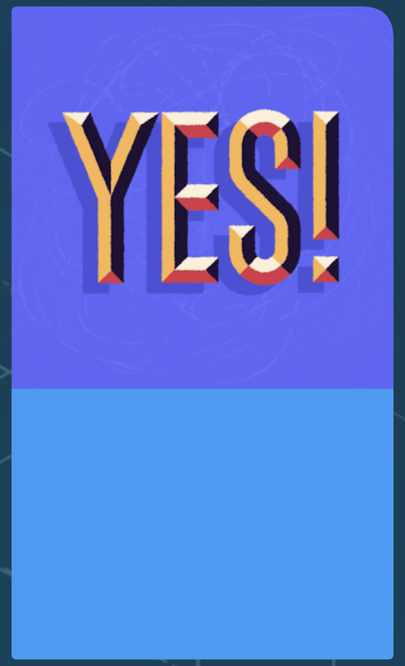

1. scriplet for java statements: if condition, for loop
2. expression: evaluate java and get value then print on page
3. declaration: add methods toJSP

Servlets and JSP (ws-13)

SERVLET

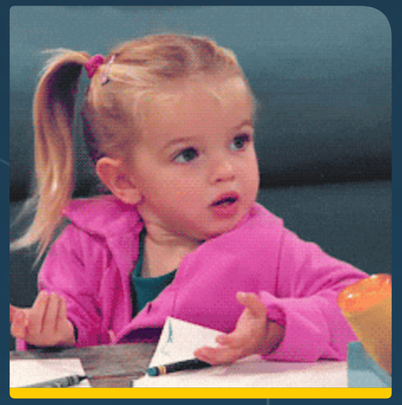

Have you started 'Servlet Practical Task'?

7

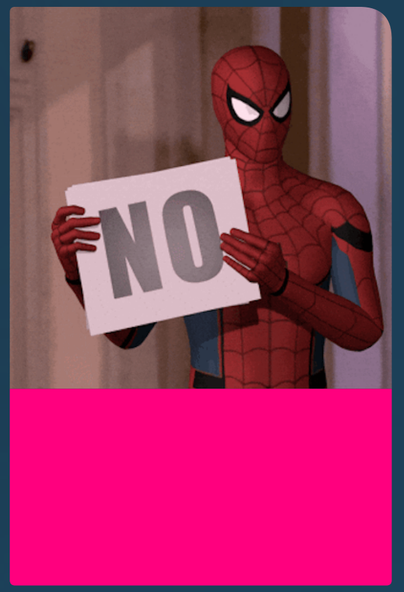

yesssssssss

0

?!?!?!?!?!?!?!?!?!?!?!?!

5

nooooooo

ITPU IT PARK UNIVERSITY

Points:

- scopes
- HttpSession
- cookies
- <%= %> scripting tag
